

NCPBL State Day of Service

February 11, 2012

“Team Register Initiative”

On this day or prior to the event, register your PBL Chapter as a team! If you have already registered your team last year, do NOT register a new team. Please go back in with your old username/password to re-activate your old team. If you do not remember your password & username there is help on the website to help you retrieve it! To register a new team, go to the web site, www.marchforbabies.org. Register to the event closest to your PBL's chapter location. Even if you don't have a walk in your community or you are not planning to attend the nearest walk, you must still register your chapter and fundraiser, register your chapter (example:**NCPBLRowan**) and use the website to set goals and track fundraising.. **NEED TO PUT NCPBL IN FRONT OF YOUR CHAPTER NAME.**

Spend the day doing a fundraising activity for the March of Dimes Foundation!

For North Carolina to get credit on the national level, you **MUST** register your chapter (team) at the website even if you are not participating in the walk.

See further instructions below.

- If you want, you can customize your webpage with a photo, personal story and fundraising goal. If not, you can use the standard format that has already been created for you!
- That's it! Now you can begin fundraising. You can edit your personal page at any time, using your username and password.
- Send e-mail to family, friends, colleagues, business associates, and vendors – everyone you know - by entering your e-mail addresses into the electronic form.
