THE HISTORY OF THE NORTH CAROLINA PHI BETA LAMBDA FOUNDATION, INC.

2002–2011

In the late 1990's, Terry Lowrance, State Adviser and Robbie McDonald, Professional Division Director, realized that for North Carolina Phi Beta Lambda to grow, a Foundation needed to be established to generate business and professional financial support.

After two years of research and paperwork, on February 6, 2002, the NCPBL Foundation received the Articles of Incorporation from the State of North Carolina. Numerous members of NCPBL Professional Division met several months later and established a 14-member board of directors and elected officers. (See Appendix 01.) The corporation received 501(c) (3) status on July 21, 2003.

The primary purpose of the corporation is to promote and support the education and financial needs of North Carolina Phi Beta Lambda local and state chapters and its members. It is organized exclusively for education purposes. The NCPBL Foundation membership is open to all individuals interested in promoting and supporting the purpose (as stated in the bylaws) of the organization. All NCPBL Professional Division members are automatically members of the Foundation.

The Foundation funds have been disbursed for state and national conference registrations for members and state officers, to provide official apparel for the state officers, and to assist with State Leadership Conference activities. The Foundation raises funds for education scholarships and generally awards three \$650 scholarships to deserving members each year. The Foundation also works with Professional Division members and businesses to establish sponsors for the competitive events (at the State Leadership Conference).

A representative of the Foundation Board attends NCPBL State Executive Council meetings to work with state leadership to promote contributions to the Foundation and to determine needs with which the Foundation could assist. Recognition is given at the State Leadership Conference and in state publications to chapters, individuals, and businesses that make it possible for the Foundation to provide support to the state PBL organization.

A chronological listing of The NCPBL Foundation, Inc., Officers is located in Appendix 1.

SECTION 11 – THE NCPBL FOUNDATION, INC.

ADOPT A STUDENT PROGRAM

The primary purpose of the Foundation is to promote and support the education and financial needs of NCPBL local chapters, its members, and the state chapter. Per the bylaws, the Foundation membership is open to all individuals interesting in promoting and supporting its purpose. All NCPBL Professional Division members are automatically Foundation members.

In 2009, The NCPBL Foundation, Inc. Executive Board came up with an exciting new project, "Adopt-A-Student" to seek support from our Professional Division (PD) members. We implemented the project and had good success so we want to continue the project each year. The "Adopt-A-Student" project focuses on raising money for the Fall Leadership Development Conference to cover the cost of registration for 200 students. This will help chapters and students offset the cost of FLDC, something we have determined to be a real need in today's economic climate. With a nominal assistance from Professional Division members, we can help students attend this conference at no cost!

In order for the Foundation to accomplish this, we need sponsors for over 200 students. The cost of adopting a student for the fall conference is \$20; as a PD member, please make that donation! If you know a friend or colleague that would support a student, please invite them to donate too! We need everyone's help to make this a success. You can give a student who might not otherwise be able to attend FLDC the chance to have the valuable NCPBL experience. Your \$20 will change someone's life and help them understand what is involved in being a business leader in today's world.

John Anderson, NCPBL 2010-2011 State President, says "*The Adopt-A-Student Program sponsored by the NCPBL Foundation is important to the members of NCPBL because it make it possible for more members to attend Fall Conference where they will learn the valuable skills essential to becoming better student leaders. The information learned at fall conference can last a lifetime and the more members that attend, the better prepared we will be to not only face the challenges but overcome all of the obstacles preventing us from being successful.*"

Most PD Members have experienced the networking, leadership opportunities, seminars, and overall good times that occur at our NCPBL conferences. Please consider that it is now us, the Professional Division members, turn to give a student the opportunity to experience this first hand! It is up to us as former student members and PD members to lead the way in producing our future leaders! Please invest \$20 and adopt a student today!

Your sponsorship gift of \$20 can be in check form payable to "The NCPBL Foundation, Inc." and sent with The NCPBL Foundation, Inc. Contribution Form on the following page. PayPal sponsorship donations are also accepted at www.ncpbl.org/foundation.

Your donation is tax deductible. On behalf of the Foundation, we thank you for the support that you have shown in the past and the support you continue to give. Nothing is impossible when you have the quality of people we have in this organization. I know this project will be a great success! I look forward to seeing you at conference this year and again, thank you for your support of NCPBL.
