2011 FLDC NON-TRIVIA CONTEST GUIDELINES
(Total of seven pages, concluding with the Code of Ethics)

The Non-Trivia Contest is sponsored by the NCPBL Professional Division. Each local chapter may enter one team of three members (teams with fewer members will be disqualified). Previous participants and previous or present state officers may not enter. The contest will have 2 rounds: the Preliminary Round consisting of a timed, written test for each team and the Championship Round consisting of an oral competition. The Preliminary Round will take place on Friday of FLDC. Each three-member team collectively will complete the test. No support materials may be used. The Championship Round will take place on Saturday during the FLDC Closing General Session. The winning chapter/team from each region will compete collectively in the Championship round. All the questions in both rounds will come from the study guide. The complete study guide is attached. If all these questions are used, additional questions will be pulled from the State Awards Program Guidelines published in the 2011-2012 NCPBL State Handbook, which can be found on the state website.

RULES FOR THE NON-TRIVIA CHAMPIONSHIP ROUND

The rules for the Championship round will be handed out to the teams competing once they are announced at the Friday night general session.
